## Professional Experience:

### Internship – CodSoft

20 May- 2025

I completed a two-month internship at CodSoft, where I worked on multiple real-world projects that enhanced my full-stack development skills. During the internship, I built applications like a Calculator, Contact Book, Password Generator, Rock-Paper game, and a To-Do List using modern web technologies. Each project helped me strengthen my understanding of front-end and back-end development, logic building, and UI/UX principles.
